Flame Modelling Agency Present  
The Eco-Design Fair Fashion Show  
26<sup>th</sup> June 2009**

Flame are proud sponsors of the Eco-Design Fair Fashion Show and pleased to have provided all the models for the show. Strong ethics are at the heart of Flame's ethos and our models show that organic, recycled, fair trade and sustainable clothing are the fashion of the future.

Flame is a professional modelling agency and show production company founded by Film & Television Producer, Mary Booth and Fashion & Image Consultant and Catwalk Choreographer, Sophie Smith. We pride ourselves on being an open and friendly agency who aim to create experiences and opportunities for today's talented young men and women through our clientele and our own organised events.

We are always looking for new faces for runway, commercial, editorial and fashion modelling. For more information about Flame, please see our website at [www.flamemodelling.com](http://www.flamemodelling.com) or contact us directly
